## PROFILE

Proactive and innovative Computer Science Engineering student with a strong technical background and a collaborative mindset. Passionate about applying technology to solve real-world challenges, with a keen interest in finance and data-driven solutions. Committed to leveraging my programming and analytical skills to make impactful contributions.

## INTERESTS

- Exploring new technologies and innovations
- Solving real-world technical challenges
- Enhancing programming and development skills
- Collaborating on tech-driven projects

## PERSONAL ATTRIBUTES

**Analytical Thinker:** Strong problem-solving skills with a focus on data analysis and technical challenges.

**Team Player:** Collaborative with a history of contributing to team success and project goals.

**Adaptable:** Quick learner, eager to take on new challenges and innovate in high-paced environments.

**Detail-Oriented:** Consistently delivers quality work with attention to accuracy and efficiency.

## CERTIFICATES

- Full Stack Web Development
- JAVA with OOPS Concept
- Excel Skills for Business: Essentials
- SQL for Data Science
- Advance Diploma in Computer Application

## PROJECTS

### Full-Stack E-commerce Website

Developed during MERN stack training; led a team of 4 to create a responsive full-stack e-commerce platform.

### Netflix, Amazon, Zomato Clones & Hospital Website

Developed responsive frontend interfaces using HTML and CSS.

### Personalized Birthday Website

Created a customized interactive website using HTML, CSS, and JavaScript for a unique user experience.

### Library Management System

Designed and implemented a Java-based system focusing on object-oriented programming principles.

### Counter Application

Built a JavaScript-based counter application featuring increment and decrement functionality.

## EDUCATION

### Siliguri Institute of Technology, MAKAUT

Bachelor of Technology in Computer Science Engineering | 2022 – 2026 | GPA: 8.48

### SHMD School, CBSE

Higher Secondary (HS) | 2022 | Percentage: 89.2%

Secondary School (SS) | 2020 | Percentage: 84.1%

## SKILLS

- **Programming Languages:** C++, C, Python, Java
- **Web Technologies:** HTML, CSS, JavaScript
- **Tools:** MS Excel, MS Word, MS PowerPoint, Tally
- **Development Skills:** Frontend Web Development, Data Structures and Algorithms (DSA)
- **Soft Skills:** Problem-solving, teamwork, leadership, and communication
